DEDICATION

Among our neighbors and friends who have passed away this year, we would like to pause and remember three special people whose roots go very deep in our community.

Alphonse Auger

Almost ninety-nine, and the most recent recipient of Sanbornton's Boston Post Cane, Alphonse Auger passed on in August. For a time, Alphonse worked in a Montreal bank writing deeds, as he had wonderful penmanship. However, his heart was in farming so he returned to Sanbornton and became a successful dairy farmer. Alphonse is survived by his second wife, Beatrice, and four children, Jean, Anita, Marcelle and Archie. We will remember Alphonse as a conscientious citizen and hard worker, who could be found splitting and stacking his own fuel wood well into his nineties.

Margaret Sheehan Dymont

Peg, as we all knew her, will be remembered as a wonderful mother of four, dedicated wife and a community-spirited individual. She so enjoyed her quilting and was very active in the Sanbornton Historical Society, spearheading the society's educational program now offered to area schools. For many years, she served as a director of the Youth Assistance Program and was a member of the Sanbornton School Board at the time the town joined the Winnisquam Regional Cooperative School District.

Raymond Nudd

The Town lost a valuable employee with the sudden passing of Ray Nudd just before Christmas. Although Ray "retired" from his full time position with the Highway Department at age 62, he continued for another twelve years on a part time basis, operating the grader. A conscientious employee and hard worker, Ray served the Town for more than twenty years. Behind his gruff facade, Ray was a kind and warm person who enjoyed taking his granddaughter fishing. Along with his friends and family, we will miss Ray.

REPORT OF THE BOARD OF SELECTMEN

We are here to serve you, the voters of Sanbornton. You are the legislators and through your votes and opinions, we manage the operations of the town.

Thanks to the dedication of your boards, committees, and the town employees, we have been able to maintain close controls over the costs borne by you.

The auditors have advised us that the town is operating in the black and the town costs have been kept at the minimum for efficient operation. Although the town budgets have been held down, the county and school budgets continue to soar, which is the reason for tax rate increases. Please get involved and vote to control these increases. Your votes count.

1994 was the year the landfill was closed by state mandate, leaving the town the burden of trash removal. This was implemented by the completion of the transfer facility and a pay as you use program of trash bags and expanded recycling.

During the year, substantial savings were found in health benefits, the acquisition of materials for the landfill closure, the return of assistance monies, and workers compensation reductions.

Thanks to a generous gift of computers, we have much needed systems in operation at no cost to the town.

We ask you to be involved with your votes; let us know what your opinions are so that we can continue to operate the town in the most efficient and economical spirit.

Somewhere between the past and the future we need to balance and plan.

Thank you,

William B. Tobin, Chairman

AMENDMENTS TO THE ZONING ORDINANCE

Amendment #1

Amend Article XII-B-(4) to define the separate enforcement powers of the Selectmen and the ZBA (Zoning Board of Adjustment) and preserving the applicant's right of appeal in the regulation of land use for excavation or removal of earth materials, such as gravel pits.

YES - 325 NO - 85

Amendment #2

Amend Article III-E to correct a typographical error on the 1993 Town Meeting Ballot. Reference was made to a nonexistent paragraph in the zoning ordinance.

YES - 379 NO - 33

MINUTES OF THE 1994 TOWN MEETING
March 9, 1994
Town of Sanbornton
State of New Hampshire

Prior to the opening of the meeting, Richard Gardner and Scott Taylor were appointed assistants to the Moderator and took the oath of office.

Pursuant to the warrant for the 1994 Town Meeting, the Moderator, Donald Foudriat, called the meeting to order at 7:00 PM. Following the presentation of colors by the Boy Scouts, the pledge of allegiance and the invocation, led by Reverend Leslie Norman, the Moderator requested that those assembled stand for a moment of silence in respect for Ralph Sleeper, our former Moderator, who passed away in July, 1993.

The Moderator next introduced the Administrative Assistant, the Selectmen, the Town Clerk, and the members of the Budget Committee.

The results of the previous day's voting were read.

Mr. Foudriat stated that the Moderator's rules of procedure for governing the meeting would include the applicable NH RSA's and Roberts Rules, 1989 edition, as necessary. Additionally, he read a list of rules which he proposed and which was approved by the assembly.

The following motion was made by Brian Gallagher, Chairman of the Budget Committee: To see if the Town will vote to reorder the following warrant articles due to technical and other difficulties. (The revised order had been distributed to the voters present) The motion failed.

Article 1. Acceptance of Grants

Shall the town accept the provisions of RSA 31:95-b providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the selectmen to apply for, accept and expend, without further action by the town meeting, unanticipated money from a state, federal, or other governmental unit or a private source which becomes available during the fiscal year?

Article # 1 was accepted as read.

Article 2. Acceptance of Personal Property

To see if the town will vote to authorize the board of selectmen to accept gifts of personal property which may be offered to the town for any public purpose, pursuant to RSA 31:95-e. The selectmen must hold a public hearing before accepting such gift, and the acceptance shall not bind the town to raise,

appropriate, or expend any public funds for the operation, maintenance, repair or replacement of any such personal property.

Article #2 was accepted as read.

Article 3. Tax Anticipation Notes

Shall the town accept the provisions of RSA 33:7 providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the selectmen to issue tax anticipation notes?

Article #3 was accepted as read.

Article 4. Transfer of Tax Liens and Sale of Tax Deeded Property

Shall the town accept the provisions of RSA 80:42 and RSA 80:80 authorizing the selectmen, indefinitely, until specific rescission of such authority, to transfer tax liens and to sell tax deeded property by advertised sealed bid, public auction, or to otherwise dispose of said property as justice may require.

Article #4 was accepted as read.

Article 5. Acceptance of Highways

Shall the town authorize the board of selectmen indefinitely, until specific rescission of such authority, to accept the dedication of any street or road shown on a subdivision plat approved by the planning board, provided that such street has been constructed to applicable town specifications as determined by the board of selectmen or its agent.

Article #5 was accepted as read.

Article 6. Acceptance of Trust Funds

To see if the town will vote to authorize the board of selectmen indefinitely, until specific rescission of such authority, to accept on behalf of the town, gifts, legacies, and devises made to the town in trust for any public purpose, as permitted by RSA 31:19.

Article #6 was accepted as read.

Article 7. Acceptance of Grants by Libraries

Shall the town accept the provisions of RSA 202-A:4-c providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the public library trustees to apply for, accept and expend, without further action by the town meeting, unanticipated money from a state, federal or other governmental unit or a private source which becomes available during the fiscal year?

Mr. William Shepard proposed that the article be amended by adding to the end of the article "and to reduce the amount allocated to the library on a proportionate basis?"

The amendment failed.

Article #7 was accepted as read.

Article 8. Pay Increase for Town Employees

To see if the town will vote to raise and appropriate the sum of \$21,603 to fund a 5% pay increase for town and library employees. The sum of \$15,311 has been calculated and recommended by the Budget Committee and is included in the proposed budget. The balance of \$6,292 includes \$1,535 for FICA. **Recommended by the Selectmen. Not recommended by the Budget Committee.**

The moderator received a petition pursuant to RSA 40:4-a requesting a "Yes - No" ballot vote on this article.

A count of those ballots cast yielded the following: YES - 110 NO - 52

Article # 8 was Accepted as read. Reconsideration was restricted.

Article 9. Bonus Payment in Lieu of Pay Increase

To see if the Town will vote to raise and appropriate the following sums of money for one time flat (bonus) payments to town and library employees in lieu of a percentage pay raise for 1994.

\$3,562	Town Office (5 employees)
\$4,125	Police Department (6 employees)
\$4,313	Highway Department (6 employees)
\$1,875	Landfill Operation (5 employees)
\$1,436	Library (3 employees)
\$15,311	Total Bonus Payments

Recommended by the Budget Committee. Not recommended by the Selectmen.

A motion was made to postpone action indefinitely.

Article #9 was postponed indefinitely.

Article 10. Employee Health Insurance

To see if the town will vote to raise and appropriate the sum of \$76,600 to fund employee health insurance coverage. **Recommended by the Selectmen. Not recommended by the Budget Committee.**

The following amendment was offered by Normand Boudreau, member of the Budget Committee.

"To see if the town will vote to authorize \$62,500 for medical health care expenditures for 1994 and suggest to the selectmen to join Blue Cross Comp 100 Health Plan or a managed Health Care Plan (HMO)."

The amendment failed. (Yes - 67 No - 75)

The moderator received a petition pursuant to RSA 40:4-a requesting a "Yes - No" ballot vote on this article.

A count of those ballots cast yielded the following: YES - 78 NO - 75

Article #10 was accepted as read. Reconsideration was restricted.

Article 11. Highway Department Vehicle

To see if the town will vote to raise and appropriate the sum of \$59,985 for the purchase of a Highway Department truck and complete plow and wing assembly, and to offset the appropriation by the withdrawal of \$20,000 from the Heavy Equipment Capital Reserve Fund. The remainder, \$39,985, is to be raised by taxation. **Recommended by the Selectmen. Not recommended by the Budget Committee.**

The Budget Committee noted that they were in favor of this article and therefore the moderator stated the notation "Not recommended by the Budget Committee" was to be stricken.

Article #11 was accepted as read.

Article 12. Highway Maintenance

To see if the town will vote to appropriate the sum of \$70,347 to be received from the State of New Hampshire Highway Block Grant to reclaim and hot top the Woodman Road and upgrade and hot top the Taylor Road. **Recommended by the Selectmen, recommended by the Road Agent and recommended by the Budget Committee.**

Mr. Larry Thibodeau proposed the following amendment: To see if the town will vote to raise and appropriate the sum of \$70,347 to be received from the State of New Hampshire Highway Block Grant to reclaim and hot top the Woodman Road and upgrade and hot top Taylor Road and Johnson Barn Road.

The amendment was accepted with a vote of 69 to 53.

Mr. Thomas Salatiello offered a friendly amendment to the above article adding "raise and" before appropriate. The amendment was accepted.

A second amendment was proposed by Mr. William Shepard to delete Taylor Road. This second amendment failed with a vote of 38 to 72.

Article #12 was accepted as amended. Reconsideration was restricted.

Article 13. State Aid Reconstruction

To see if the town will vote to authorize the selectmen to request the N. H. Department of Transportation to initiate two SAR (State Aid Reconstruction) projects. One project is to improve site distance problems at the intersection of NH Route 132 and Hermit Woods Road. The second project is safety improvements to the bridge over Hadley Brook on NH Route 132.
Recommended by the Selectmen.

Mr. Gallagher noted that the Budget Committee was in favor of this article.

Article #13 was accepted as read.

Article 14. Highway Maintenance Petition Article

To see if the town will vote to pave Johnson Barn Road from a point on Lower Bay Road to where existing pavement ends. **By Petition.**

Article #14 was postponed indefinitely.

Article 15. Fire Department Jaws of Life

To see if the town will vote to raise and appropriate the sum of \$10,000 for the purchase of a set of Jaws of Life Rescue Tool for the Sanbornton Fire Department, of which \$4,500 will be received from the State of New Hampshire Highway Safety Agency. The remainder of \$5,500 is to be raised by taxation.
Recommended by the Selectmen and recommended by the Budget Committee.

Article #15 was accepted as read.

Article 16. Police Department Vehicle

To see if the town will vote to raise and appropriate the sum of \$8,283 for the second and final lease payment on the 1993 Police Department cruiser.
Recommended by the Selectmen and recommended by the Budget Committee.

The moderator noted and corrected a typographical error in the dollar amount addressed in this article. The article was corrected to read as follows:

To see if the town will vote to raise and appropriate the sum of \$7,315 for the second and final lease payment on the 1993 Police Department cruiser. **Recommended by the Selectmen and recommended by the Budget Committee.**

Article #16 was accepted as corrected.

Article 17. Police Department Vehicle

To see if the town will vote to raise and appropriate the sum of \$7,315 for the first year lease payment on a 1994 cruiser for the Police Department. **Recommended by the Selectmen and recommended by the Budget Committee.**

The moderator noted and corrected a typographical error in the dollar amount addressed in this article. The article was corrected to read as follows:

To see if the town will vote to raise and appropriate the sum of \$8,283 for the first year lease payment on a 1994 cruiser for the Police Department. **Recommended by the Selectmen and recommended by the Budget Committee.**

Article #17 was accepted as corrected.

Article 18. Capital Reserve Funds

To see if the town will vote to raise and appropriate the sum of \$22,000, of which:

- \$2,000 is to be placed in the Town Bridges and Roads Capital Reserve Fund;
- \$15,000 is to be placed in the Fire Department Capital Reserve Fund;
- \$5,000 is to be placed in the Sanbornton Fire Department Repair and Refurbishing Capital Reserve Fund.

Recommended by the Selectmen and recommended by the Budget Committee.

Article #18 was accepted as read.

Article 19. Heavy Equipment Capital Reserve

To see if the town will vote to raise and appropriate the sum of \$5,000 to be placed in the Capital Reserve for Heavy Equipment. **Recommended by the Selectmen. Not recommended by the Budget Committee.**

Mr. Gallagher noted that the Budget Committee did not oppose this appropriation.

A hand count yielded the following: YES - 68 NO - 57

Article #19 was accepted as read.

Article 20. Town Park Capital Reserve

To see if the town will vote to raise and appropriate the sum of \$15,000 to be placed in the Capital Reserve for the Town Park. **Recommended by the Budget Committee. Not recommended by the Selectmen.**

Article #20 was defeated.

Article 21. Solid Waste Transfer Station

To see if the town will vote to authorize the construction and operation of a solid waste transfer station and expanded recycling center at the landfill site on Shaw Hill Road. **Recommended by the Selectmen and recommended by the Budget Committee.**

Article #21 was accepted as read.

Article 22. Sanitary Landfill Capital Reserve Account Amendment

To see if the town will vote to amend the purpose of the Sanitary Landfill Capital Reserve Account established in Article 12 of the 1987 town warrant, and amended in Article 5 of the 1988 town warrant, by repealing and reenacting it to read as follows: To see if the town will vote to establish a Solid Waste Capital Reserve Account for any of the following purposes: 1)closure of the landfill on Shaw Hill Road; 2)construction of a transfer station, recycling center and the purchase of associated equipment; and 3)engineering, planning and other consultant work associated with the above purposes; and to designate the selectmen as disbursing agents. (A 2/3 vote is necessary to change the purpose of a Capital Reserve Fund.) **Recommended by the Selectmen, recommended by the Solid Waste Committee, and recommended by the Budget Committee.**

No vote in the negative was vocalized.

Article #22 was accepted as read.

Article 23. Fees for Solid Waste Disposal

To see if the town will vote to authorize the selectmen to establish and administer a user fee system, such as a pay per bag program, to offset the cost of disposal of the town's solid waste. **Recommended by the Solid Waste Committee.**

Article #23 was accepted as read.

Article 24. Development Rights Capital Reserve Fund

To see if the town will vote to close the Capital Reserve Fund for Development Rights and deposit the balance, \$6,122.54, plus any interest, to the general fund to reduce taxes. **Recommended by the Selectmen and recommended by the Budget Committee.**

Article #24 was accepted as read.

Article 25. Emergency Management Expendable Trust

To see if the town will vote to create an Expendable Trust for Emergency Management, to authorize the selectmen as disbursing agents and to authorize the transfer of \$522 from the general fund surplus to said fund. **Recommended by the Selectmen. Not recommended by the Budget Committee.**

Mr. Gallagher noted that the Budget Committee was not necessarily against passage of this article; rather it was an item on which the Budget Committee did not take a position.

Article #25 was accepted as read.

Article 26. Recreation Commission Non-Lapsing Fund

To see if the town will vote to authorize the establishment of a non-lapsing revolving fund to receive all donations and fees generated by the Recreation Commission and to expend funds as authorized by vote of the Recreation Commission, in accordance with RSA 35-B:2, II, effective January 1, 1995. **Recommended by the Selectmen. Not recommended by the Budget Committee.**

It was noted that this was an article on which the Budget Committee did not take a position.

Article #26 was accepted as read.

Article 27. Reappraisal of Utility Property

To see if the town will vote to authorize the selectmen to spend \$14,619 of encumbered funds for the purpose of reappraisal of utility property in the town. **Recommended by the Selectmen. Not recommended by the Budget Committee.**

Article #27 was accepted as read.

Article 28. Tax Payment Discount

To see if the town will vote to authorize a discount on any portion of 1994 property taxes paid after April 1, 1994 and by August 15, 1994 (RSA 80:52). The discount percentage shall be equal to the interest percentage on borrowing for tax anticipation notes. **Recommended by the Budget Committee.**

The moderator received a petition pursuant to RSA 40:4-a requesting a "Yes - No" ballot vote on this article.

A count of those ballot cast yielded the following:

YES - 82 NO - 28

Article #28 was accepted as read. Reconsideration was restricted.

Article 29. Report of the Budget Committee

To hear the report of the Budget Committee and to pass any vote in relation thereto.

The Budget Committee reported the following:

\$1,485,044	Total Expenses
\$618,692	Revenues
\$866,352	To be raised by Taxes

The Selectmen agreed to look into the refinancing of the financing of the Life/Safety Building.

The Report of the Budget Committee was accepted.

Article 30. Easement

To see if the town will vote to authorize the Selectmen to grant a quitclaim easement to the owner of lot 63 on Sanbornton Tax Map 11, Black Brook Road, for the purpose of constructing residential subsurface disposal system. Easement will be granted upon notification of agreement between owners of lots 63 and 64. **Recommended by the Selectmen.**

Article #30 was accepted as read.

Article 31. Other Business

To transact such other business as may legally come before the Town Meeting.

Recognition was given to Judith Rich for 15 years of service on the Budget Committee and to Elizabeth Weiant for her many volunteer services to the community.

Scott Taylor, on behalf of the Town Park Committee requested direction from the voting body regarding pursuit of the Town Park issue.

Warren Lake was honored for his years of service as Selectman.

Mr. Carmine Cioffi, a nonresident, challenged "the Town Meeting of Sanbornton being held on March 9, 1994 for being denied the right to vote on issues pertaining to monies being used from tax dollars that I have paid to the Town of Sanbornton.

"I believe, as an American citizen, I have the right to vote on issues where my tax dollars are involved. As it is now I am a victim of taxation without representation, which is unconstitutional."

The Budget Committee and Brian Gallagher, Chairman of that committee, were recognized for their many hours of dedicated service and commended for a job well done.

It was further noted that our moderator, Donald Foudriat, did a marvelous job of orchestrating this meeting.

The meeting concluded at 12:15 AM.

Susan S. Shannon, Treasurer

Plodzik & Sanderson Professional Association193 North Main Street Concord, N.H. 03301 (603) 225-6996*INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION*

To the Members of
the Board of Selectmen
Town of Sanbornton
Sanbornton, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Sanbornton as of and for the year ended December 31, 1994, as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Sanbornton as of December 31, 1994, and the results of its operations and cash flows of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining and individual fund financial statements listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Sanbornton. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

BUDGET COMMITTEE REPORT

It has been stated, that without doubt, the Budget Committee has the toughest job in town, very similar to a mother-in-law in a family setting. The Budget Committee as in the case of a mother-in-law walks a fine line trying to help the family (residents) of Sanbornton. As our committee meets throughout the year, we examine documents, statements, trends, and public and town employees attitudes and ideas and with all this information we try to develop a budget which will help all. A barometer of how difficult this committee can become is evident in the fact that in the spring of 1994 when four candidate slots were open for the elections, no one chose to sign up and run for this office. As stated earlier, we met throughout the 1994 season and the early months of 1995, we have had town department heads and most chairmen of other committees before us along with Belknap County Commissioner (Chairman) Mark Thurston, Representative Bob LaFlam and Representative Fran Wendelboe, also recommending solutions to budget problems was Moderator Donald Foudriat. Residents (taxpayers) of the town also appeared before us to give us some direction regarding our budget decisions. This committee has been devoted to trying to help all involved in our wonderful diverse town of Sanbornton.

It has, without doubt, been a tough year to prepare the budget, considering the landfill problems and a possible closure, a fire engine to be purchased for Sanbornton and Winnisquam and extra road work involving gravel due to the warm weather. These items, along with all the other needs in each department and agencies both in and out of our town make this committee struggle for the right answer, we just hope we have succeeded with our budget process.

The Budget Committee members are Robert Bouvier, Norm Boudreau, Lawrence Thibodeau, Richard Howe, Jeff Fillion, and Guy Giunta (Chairperson). Diane Thibodeau was Secretary until early fall (1994) followed by Brian Gallagher for the remainder of the season.

Respectfully submitted,

Guy J. Giunta, Jr., Chairman

CABLE TV COMMITTEE REPORT

There has been little activity occurring during 1994 involving our committee. As of the writing of this report, the only concerns received continue to come from residents whom desire cable.

Unfortunately, the Federal Communications Commission (FCC) rulings have continued to confuse all of the interested parties and it now appears more confusion is about to occur. Due to this continuous changing of the laws, the company has not, to date, expanded cable in any community throughout our area except for in a few minor instances.

In our last conversation with the cable provider it appears, with some degree of certainty, that the cable company will be doing some expanding in the Town of Sanbornton in 1995. The company also has and will continue to offer the availability of televising all video tapes involving town matters (public hearings and other meetings) and this will occur at no cost to the taxpayers of Sanbornton.

It is the wish and hope of the Cable Committee to see as many residents of Sanbornton as possible have cable. This will always be our number one objective.

Respectfully submitted,

Guy J. Giunta, Jr., Chairman

CONSERVATION COMMISSION REPORT

1994 was another interesting, active and productive year for the Conservation Commission. Our Commission has a strong, active membership, and is happy to report the addition of Don Miller, Fish & Game Biologist, as a valued new member.

Dredge and fill applications to the Wetland's Board continue to be discussed and where appropriate, the property was visited and recommendations submitted.

Members inspected the Town Tree Farm on Tower Hill with Mike Burke, Town Forester, and it was found in good condition. A Tree Management Plan was completed and sent to the Town Forester. The Forestry Sub-Committee continues to monitor logging operations on town owned property.

Upon the passing of Mike Burke, Peter Farrell of the N. E. Forestry Consultants, a subsidiary of the N. E. Forestry Foundation, has been appointed to succeed him as Town Forester. Peter accompanied the Commission members to the town owned land on Dr. True Road to check the status of the cutting. A potential area for off-road parking for the Town Beach and access to the lake during the winter fishing derby, was viewed at that time. The road parking has been a concern of the local residents as well as Police and Fire Departments. The proposed parking area will be followed up with the Recreation Commission and Selectmen.

The Meader Conservation Easement was inspected and found to be in compliance with conservation regulations.

Responding to a request by the N. E. Telephone Company to cut trees on Perkins Road (a designated scenic road), Commission Co-Chairperson, Faith Tobin, was on site to oversee the operation and to assure that only the necessary trees were trimmed or removed. Faith also gave several programs on neighborhood trees to classes at the Sanbornton Central School.

The Commission received two very interesting and informative books, "New England Wildlife Habitat, Natural History & Distribution" and "Man-agement of Forest Habitat". Both are available for public review at the Town Office. The Wildlife Sub-Committee continues to record bird and wildlife sightings in Sanbornton, reporting to the N. H. Fish and Game Department for their statistics.

Hal Graham continues to oversee the development of the Virginia Hutton Trail on Schoolhouse Hill, and has generated a map of it. The trail is in good condition and is now clearly marked with directional signs which were donated by Al Novicki. (Thank you Al!) Hal has also been working closely with the Bureau of

Trails on the section of the Heritage Trail which runs through Sanbornton along the Pemi River.

For a third year in a row, a Sanbornton student was sponsored at the Conservation Camp. James Driscoll was sponsored at the Conservation Camp at Bear Brook. He reported to the Commission that he felt that he had learned a lot while having a great time. He will be using the skills he acquired by assisting in the maintenance of the trails on town property.

The shop class at Winnisquam Regional High School built a picnic table for the Town Common with materials supplied by the Commission. There is also a new maple tree, supplied by N. H. Coop., at the pond there. Faith Tobin has applied for a grant for additional trees to be planted in the same general area.

Again this year, members of the Commission had a float in the Celebration Sanbornton parade, and maps of the Virginia Hutton Trail were distributed.

Respectfully submitted,

Wayne Elliot, Chairman
Faith Tobin, Co-Chair

**1995 Warrant & Budget Section
Town of Sanbornton
State of New Hampshire**

**1995 Warrant
Town of Sanbornton
State of New Hampshire**

The polls will be open from 10:00 a.m. to 7:00 p.m.

To the Inhabitants of the Town of Sanbornton in the County of Belknap in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in Said Sanbornton on Tuesday, the fourteenth (14th) day of March next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the ensuing year.
2. To choose all necessary District Officers for the Winnisquam Regional School District.
3. To vote on the following proposed amendments to the Town Zoning Ordinance:

Amendment #1

Are you in favor of the adoption of Amendment No. 1 as proposed by the planning board for the town zoning ordinance as follows:

Amend Article III(C)(11)(b) to permit two or more businesses or professional enterprises located on a single lot or on contiguous lots sharing a common driveway or parking area not more than one wall advertising sign per business and one shared freestanding advertising sign in common.

Amendment #2

Are you in favor of the adoption of Amendment No. 2 as proposed by the planning board for the town zoning ordinance as follows:

Amend Article XII(B)(10) by inserting the word "adverse" with respect to the effect on property values.

Amendment #3

Are you in favor of the adoption of Amendment No. 3 as proposed by the planning board for the town zoning ordinance as follows:

Amend Article XII B(11)(c) to limit the size and height of a proposed addition to a dwelling within the forty (40) foot setback from the waters edge.

4. To vote on the following Ballot Questions:

Question #1

Shall we rescind the provisions of RSA 72:62 for a property tax exemption on real property equipped with a solar energy heating or cooling system which exemption shall be in an amount of one hundred percent (100%) of the cost?

Question #2

Shall we rescind the provisions of RSA 72:70 for a property tax exemption on real property equipped with a wood heating system which exemption shall be in an amount of one hundred percent (100%) of the cost?

You are hereby notified to meet at the Sanbornton Life Safety Building in said Sanbornton on Wednesday, the fifteenth (15th) day of March next, at seven of the clock in the evening, to act upon the following subjects:

Article 1.

To see if the town will vote to authorize the board of selectmen to indefinitely, until specific rescission of such authority, to accept on behalf of the town, gifts, legacies, and devises made to the town in trust for any public purpose, as permitted by RSA 31:19.

Article 2.

To see if the town will vote to rescind Article 4 as voted at the 1994 town meeting and to authorize the selectmen, indefinitely, until specific rescission of such authority, to sell tax deeded property by advertised sealed bid or public auction under the provisions of RSA 80:42 and RSA 80:80. Such action would remove the ability of the selectmen to transfer tax liens, or dispose of tax deeded property other than by advertised sealed bid or public auction. Recommended by the Board of Selectmen.

Article 3.

To see if the town would vote to rescind Article 31 voted at the 1977 town meeting. Such action would subject all individuals on the town payroll to the deduction of social security from issued payrolls, except police officers who are excluded from said deduction by law.

Article 4. Highway Maintenance

To see if the town will vote to raise and appropriate the sum of \$247,000 for the general maintenance of highways and streets in the town of Sanbornton. Recommended by the Board of Selectmen and the Budget Committee.

Article 5. Highway Block Grant

To see if the town will vote to raise and appropriate the sum of \$73,416 to be received from the state highway block grant to be used to reclaim a portion of Morrison Road, hot top portions of Johnson Road, Drake Road and Hueber Drive. Recommended by the Road Agent, Board of Selectmen and the Budget Committee.

Article 6. Highway Department Vehicle

To see if the town will vote to raise and appropriate the sum of \$26,945 for the purchase of a new one-ton truck and 9' plow for use by the Highway Department and to authorize the withdrawal of \$20,000 from the Heavy Equipment Capital Reserve Fund, the proceeds from the sale or trade of the old vehicle to be added to the Heavy Equipment Capital Reserve Fund. Recommended by the Board of Selectmen and the Budget Committee.

Article 7. Police Department

To see if the town will vote to raise and appropriate the sum of \$166,975 for the operation of the Sanbornton Police Department. Recommended by the Board of Selectmen and the Budget Committee.

Article 8. Police Department Vehicle

To see if the town will vote to raise and appropriate the sum of \$7,783 for the second and final lease payment on the 1994 police cruiser. Recommended by the Board of Selectmen and the Budget Committee.

Article 9. Police Department Vehicle

To see if the town will vote to raise and appropriate the sum of \$9,931 for the first year lease payment on a 1995 police cruiser. Recommended by the Board of Selectmen and the Budget Committee.

Article 10. Fire Department

To see if the town will vote to raise and appropriate the sum of \$45,800 for the Sanbornton Fire Department, \$1,000 of which is for dry hydrants. Recommended by the Board of Selectmen and the Budget Committee.

Article 11. Sanbornton Fire Department Truck

To see if the town will vote to raise and appropriate the sum of \$148,369 for the purchase of a new truck for the Sanbornton Fire Department and to authorize the withdrawal of \$116,000 from the New Fire Truck Capital Reserve Fund. The balance,

\$32,369, will be raised by taxation. Recommended by the Board of Selectmen and the Budget Committee.

Article 12. Winnisquam Fire Department Truck

To see if the town will vote to raise and appropriate the sum of \$42,000 for the purchase of a new fire truck for the Winnisquam Fire Department and to authorize the withdrawal of \$18,900 from the Winnisquam Fire Department Capital Reserve Fund. The balance, \$23,100, will be raised by taxation. Approval is contingent upon favorable votes by other supporting communities. Recommended by the Board of Selectmen and the Budget Committee.

Article 13. Office of Emergency Management

To see if the town will vote to raise and appropriate the sum of \$2,250 to fund salaries for the Director and Deputy Director of the Office of Emergency Management. Not recommended by the Board of Selectmen and the Budget Committee.

Article 14. Patriotic Purposes

To see if the town will vote to raise and appropriate the sum of \$1,800 to fund patriotic purposes, of which \$1,500 is for Moulton's Band and \$300 is to fund 1995 Celebration Sanbornton activities. Recommended by the Board of Selectmen and the Budget Committee.

Article 15. Capital Reserve Funds

To see if the town will vote to raise and appropriate the sum of \$19,500, of which:

\$2,000 is to be placed in the Road and Bridges Capital Reserve Fund;

\$10,000 is to be placed in the Fire Department Capital Reserve Fund;

\$5,000 is to be placed in the Heavy Equipment Capital Reserve Fund;

\$2,500 is to be placed in the Sanbornton Fire Department Repair and

Refurbishing Capital Reserve Fund.

Recommended by the Board of Selectmen and the Budget Committee.

Article 16. Town Park Capital Reserve Fund

To see if the town will vote to raise and appropriate the sum of \$15,000 to fund an engineering study, prepare site plans, and initiate development of a town park on Shaw Hill Road and to authorize the withdrawal of said funds (\$15,000) from the capital reserve created for that purpose. Recommended by the Board of Selectmen and the Budget Committee.

Article 17. Transfer Station/Recycling Center (Sanitary Landfill)

To see if the town will vote to raise and appropriate the sum of \$107,494 for the operation of the Sanbornton Transfer Station/Recycling Center and to authorize the transfer of all funds accumulated in the Landfill Non-Lapsing Fund through December 31, 1995 to the General Fund to offset this expenditure. Recommended by the Board of Selectmen and the Budget Committee.

Article 18.

To see if the town will vote to remove the Pay per Bag fee (charge) for the removal and disposal of municipal solid waste at the Sanitary Landfill (town dump). These costs to be included in the town budget. By Petition.

Article 19. New Mountain Road

To see if the town will vote to maintain New Mountain Road, beginning at Hale Road and terminating one mile at a stone wall meeting Old Mountain Road, subject to improvements to the road surface by abutting landowners and acceptance of the road by the Board of Selectmen upon recommendation of the Road Agent. Recommended by the Board of Selectmen.

Article 20.

To see if the town will vote to authorize the initiation of state legislation on behalf of Sanbornton taxpayers to allow them voting privileges as defined in the NH Revised Statutes Annotated for all financial funding warrant articles at town meetings beginning with the March 1996 town meeting. By Petition

Article 21.

To see if the town will vote to authorize the continuation of the tax payment discount program, until specific rescission of such authority, for a discount on any portion of future property taxes paid after April 1, and by August 15 (RSA 80:52) during each year. The discount percentage shall be equal to the interest percentage on borrowing for tax anticipation notes. By Petition.

Article 22.

To see if the town will vote to authorize the selectmen to establish a competitive bidding requirement (minimum of 3 bid quotes) for expenditures of any and all town funds paid to vendors or consultants for services when expenses will equal \$500.00 or more on a calendar year basis. By Petition.

Article 23.

To see if the town will vote to authorize the selectmen to use sound recording at all selectmen meetings beginning May 1, 1995. By Petition.

Article 24.

To see if the town will vote to develop a portion of town owned land on Dr. True Road (TM11, Lot 71) for beach parking? Recommended by the Highway Safety Committee.

Article 25.

To see if the town will vote to open the voting polls at 7:00 a.m. for all state elections.

Article 26.

To hear the report of the budget committee and to pass any vote in relation thereto.

Article 27.

To transact such other business as may legally come before the town meeting.

Given under our hands and seal this 27th day of February, in the year of our Lord
nineteen hundred and ninety-five.

Bill Tobin, Chairman

Daryl A. Woods

Peter Hibberd

ENHANCED 911 COMMITTEE REPORT

The implementation process for Enhanced 911 for the Town of Sanbornton was completed last summer with all property owners being notified of their new address. It is now the responsibility of the property owner to properly display the number so assigned, as per the guidelines set forth by the Town and the Board of Selectmen. If you have any questions as to how to display the number, please contact the town office or any member of the committee.

The E-911 Committee officially completed its data gathering last summer, but the managing and updating continues on a weekly basis.

I am happy to say that the State Office of Emergency communications has accepted the material that we presented to them for their database. As of July of this year, the E-911 system will go on line statewide, providing all of us with a more efficient and timely response in a time of need.

I would like to thank the members of the committee for the many hours of their time that was contributed toward this most important endeavor.

Lt. Stan Barnes, SFD
Chief Arthur Dowling, SFD
Chief Jack Maurath, SPD
FF Mel Collard, SFD

Ordinance for Numbering of Buildings Procedure:

- A. All owners of primary buildings within the corporate limits of the Town of Sanbornton shall affix, or cause to have affixed, the assigned road number(s) in accordance with this section.
- B. All properties with primary buildings shall display the assigned road number(s) or script equivalent so as to be readily visible from the road.
 - 1. For primary buildings readily visible from the road, the number(s) shall be conspicuously displayed on that side of the building which faces the road.
 - 2. For primary buildings not visible from the road, the assigned number(s) shall be conspicuously displayed at the point of entry to the property, so as to be visible on a year round basis. The preferred method of display at the point of entry shall be on both sides of a mail-box. However, if a mailbox is not located at the point of entry, or if there is no mailbox, the assigned road number shall be displayed on a sign post or by similar means at the point of entry.

3. Primary buildings accessed by a common drive shall display the assigned road number(s) on the primary building.
- C. All road numbers displayed on primary buildings or property shall be of a contrasting color to the means of support.
 - D. All road numbers displayed on primary buildings or property shall be at least 3 1/2 inches in height. The size of numbers placed on mailboxes shall be in accordance with US Postal Service requirements.

FIRE DEPARTMENT REPORT

Members of the Sanbornton Fire Department spent a total of 1,354 hours answering calls, and 1,508 hours at training and equipment checks, for a total of 2,862 hours spent at Fire Department activities. The Sanbornton Fire Department responded to the following calls for the year of 1994:

Structure Fires.....	2	EMS, MV Accidents	52
Chimney Fires	10	Public Service Calls	27
MV Fires.....	3	Alarm Activations	13
Appliance Fires	2	False Alarms.....	8
Structure M/A Fires	12	Smoke Investigations.....	9
Woods Fires	11	Hazardous Material Calls.....	3
Non-Permit Fires	5	Fatalities	1
EMS, Sick Persons.....	60	Total Calls for 1994	218

The SFD purchased a set of rescue Jaws along with New Hampton. By both departments having the same brand tool, the units are inter-changeable. Both departments have trained together and have been State of NH Certified in its use. The unit is carried on Rescue.

The SFD also purchased a Heart Monitor/Defibulator this year and have members training in ALS (Advanced Life Support). We have 8 members Defibulator Certified, 2 members IV Certified, 4 members EOA Certified, and 2 members Intubation Certified. This training is on-going with rescue members and will be expanding.

The Fire Prevention program reached approximately 250 children at the Sanbornton and Sant Bani Schools this year. Several topics were covered and handouts and hats were provided. Lt. Simpson has headed this program and is having very good results. This will also be an on-going program with Lt. Simpson and Lt. Taylor.

The 911 numbering system is complete, with packets containing instructions for numbering residences mailed to homeowners. Please follow these instructions as it is important for your numbers to be the specified size and in the proper location. The Postal Service also uses the numbers provided by the 911 system, but the primary function is for emergency response location. Only you can make the system work the way it was designed. Help us to make it work for you. The numbering system has been used in several responses already this year and is a big asset.

Respectfully submitted,

Arthur W. Dowling, Chief

BUDGET STATEMENT:

Operating Budget.....	\$41,910.00
Expended in 1994.....	\$40,261.00
Balance.....	\$1,648.00
Warrant Article Budget Section.....	\$32,500.00
Expended in 1994:	
Dry Hydrant Fund.....	\$1,456.00
Jaws of Life Account.....	\$10,000.00*
Forest Fire Protection Account.....	\$878.22**
Total Expended in 1994.....	\$6,956.00
Balance for 1994.....	\$25,554.00
Total 1994 Budget.....	\$74,410.00
Total 1994 Expended.....	\$47,217.00
Total 1994 Balance.....	\$27,193.00

Compensation for Training and Radio Checks:

Chief	2,000
Deputy Chief	2,000
Firefighters (28)	4.50/hr.

* \$4,500 reimbursed by Highway Safety of N.H.

** Reimbursed by State of N.H.

FOREST FIRE WARDEN'S REPORT

In calendar year 1994, our three leading causes of fires were No Permit, Children, and Rekindles of fires where the fire was not properly extinguished.

Violations of RSA 224:27 11, the fire permit law, and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

To aid your Forest Fire Warden, Fire Department, and State Forest Fire Officials, contact your local Warden or Fire Department to find out if a permit is required. This also helps to prevent unnecessary response to a controlled burn.

Fire Statistics	1994	1990-93 Average
Number of Fires Reported to State for Cost-Share Payment	283	443
Acres burned	217	246

Suppression Cost \$90,000+

Fires Reported	By Lookout Towers	By Detection Aircraft
Fires Reported	588	89
Assists to Other Towers	363	

Visitors..... 21,309

Local communities and the State share the cost of suppression on a 50/50 basis. New Hampshire operates 15 fire towers and 3 contract aircraft patrols. This early detection and reports from citizens aid the quick response from the local Fire Departments.

"REMEMBER, ONLY YOU CAN PREVENT FOREST FIRES!"

Richard S. Chase
Forest Ranger

Arthur W. Dowling
Forest Fire Warden

HISTORIC DISTRICT COMMISSION REPORT

The Historic District Commission, which consists of five members, a Selectmen representative, and one alternate, met on April 25, May 24, August 30, August 31 (a special on-site inspection), November 1, and held a public informational hearing on June 23, at which Robert Bodwell and Betty Weiand spoke about the establishment and early history of the Historic District.

The following is a partial listing of the issues addressed and actions taken by the Commission during 1994:

- * Septic concerns of home owners in the District.
- * Replacement of the fence at the Congregational Church parsonage.
- * Discussed purpose, nature and extent of the authority of the Commission and emphasized the importance of good communications and public relations with residents.
- * Developed and distributed a community survey re the Commission and the District to assess educational needs and issue concerns.
- * Examined the issue of how to raise awareness of realtors, residents and town officials of how and when the HDC should be consulted.
- * Identified a number of individuals and organizations in the State that could serve as resources.
- * HDC representatives attended the joint meeting of the Land Use Boards on September 6, and a UNH "Downtown Revitalization" workshop at Steele Hill Resort on September 29.
- * Worked with George Makris, Anne Ingemundsen and Nathan Morse re construction/remodeling of their respective Historic District homes.
- * Attended the Budget Committee hearing on November 16, and requested to maintain level funding at \$175.00 for 1995.
- * Revising the application form, having more public awareness programs, and providing in-training opportunities for Commission members will be future considerations.

Respectfully submitted,

Linda L. Salatiello, Chairperson

BUDGET: \$175.00 Appropriated
 \$23.29 Expended on publications and membership

LAKES REGION PLANNING COMMISSION REPORT

The Lakes Region Planning Commission is a voluntary association of local communities designated by area towns as the organization that brings towns and cities within the Region together. By associating and pooling resources, local governments have a highly trained professional staff available to them for a wide variety of services. Areas of current expertise include land use and transportation planning, master planning, environmental planning, capital improvement programming, economic and community development, housing, fiscal and environmental impact analysis, geographic information systems and computerized cartography, household hazardous waste collections and site plan review. Communities may also obtain the services of a professional planner on a regular basis through our circuit rider program or on a fee basis. The Commission also provides a framework to protect and further the interests of our communities with the state and federal government.

Your support helps the LRPC maintain a comprehensive regional planning effort and enables the Commission to perform various projects and activities for regional benefit. Over the past year the LRPC:

- * Provided consultation and assistance to thirty-one member communities.
- * Met repeatedly with federal and state officials and agency representatives to influence policy and help keep the Region an active participant in many ongoing programs.
- * Contracted and coordinated the 11th and largest regional household hazardous waste program in the Lakes Region serving over twenty municipalities in a one day super collection.
- * Sponsored fall and spring sessions of the NH Law Lecture series.
- * Served as a Board Member of the Belknap County Economic Development Council, a county-wide initiative for economic betterment.
- * Initiated work on an innovative study of the Route 16 corridor from the seacoast to Errol, NH, in coordination with the NH Dept. of Transportation and three other regional planning commissions.
- * Completed a draft update of the regional housing needs assessment in the Lakes region as mandated by state statute for local housing plans.
- * Initiated work on an agreement through the Scenic Byways program which will enable us to computerize and display historic sites using GIS and scanning technology for the benefit of the Lakes Region Heritage Tourism Roundtable.
- * Completed the Manual of Model Ordinances: a comprehensive report on best management practices containing model ordinances for shore-land protection, subsurface disposal systems, erosion and sedimentation control and wetlands protection. The report was prepared with support from many people including the NH Department of Environmental Services, Belknap and Carroll County Conservation Districts and the North Country Resource Conservation and Development Area, Inc.

- * Submitted another application to the NH Department of Environmental Services to continue implementation efforts identified in Phase 1 of the Lake Winnepesaukee Watershed Project.
- * Completed a major update of the Overall Economic Development Program (OEDP) which enables members to apply for economic development funding assistance from the US Economic Development Administration.
- * Participated in other regionally significant economic development efforts including membership on the Newfound Economic Development Council's Mitigation Fund Advisory Committee, Legislative Conference Center Committee, Governor's State Park Advisory Committee, Ossipee Valley Chamber of Commerce EDA proposal, and the Franklin Economic Development and Revitalization Committee.
- * Reorganized the regional transportation advisory committee to a technical advisory committee for the purpose of improving regional representation and identifying projects for inclusion in the update of transportation plans and programs.
- * Initiated a region-wide land use and transportation inventory to support Department of Transportation efforts leading to the development of a state-wide transportation model.
- * Continued to be a planning information resource center for all municipalities, including the maintenance of an affiliate state data center of US Census information.
- * Continued to administer and participate in a number of master plan updates throughout the Region including, but not necessarily limited to, Holderness, Sanbornton and Tamworth.
- * Prepared a comprehensive soils capability analysis of the Newfound River Watershed identifying areas with high to low development capability in cooperation with the Natural Resource Conservation Service and the NH Department of Environmental Services.

We look forward to serving your community during the coming year. Please feel free to contact us at 279-8171 whenever we can be of assistance.

Sincerely,

Kimon Koulet, Executive Director

NEW BEGINNINGS REPORT

On behalf of New Beginnings, I would like to thank the Town of Sanbornton for its continued support. Your \$500.00 allocation for 93-94, assisted us in providing emergency services, advocacy and support to victims of domestic and sexual violence.

Publicity surrounding the issue of domestic and sexual violence and its devastating effects on families and children has resulted in a significant increase in requests for our services. Our records indicate that we had 5 contacts with Sanbornton residents in 1993 and 11 contacts in 1994. In addition, 170 other contacts for services were not identified by town. Our agency documented over 899 requests for service and provided 673 bednights of shelter in 1994.

As you know, New Beginnings staffs a 24-hour crisis line solely with volunteers; operates a full-time shelter for women and children and safe homes for male victims; provides support and advocacy at court, the hospital, police stations, and social service agencies; offers peer support groups for victims of domestic violence and sexual assault; assists with needs assessment, case management and housing options; and does community outreach and education programs for teens and adults. All our services are provided free of charge.

We are members of the state-wide NH Coalition Against Domestic and Sexual Violence, promoting statewide networking and resource sharing among domestic violence and sexual assault programs. The Coalition is the evaluating body and administrator of state and federal contracts that provide subsidiary funding for member programs and advocates for legislative change that affects victims of domestic and sexual assault.

We greatly appreciate the solid support of the Sanbornton community. We are dedicated to human service, social responsibility and fiscal accountability. New Beginnings represents a very finite portion of the Sanbornton budget but the returns are immeasurable. We welcome your participation in our efforts to insure a world of safety for ourselves and our children. Volunteers are always needed and the opportunity to serve is fulfilling and satisfying.

Sincerely,

Barbara A. Cruickshank
Executive Director

NEW HAMPSHIRE HUMANE SOCIETY

The 1994 totals of the number of animals brought to the NH Humane Society from Sanbornton are as follows:

By your Animal Control Officer:

Dogs & Puppies	11	Returned to Owner.....	5
Cats & Kittens	1	Returned to Owner.....	0
TOTAL	12		

From local Residents:

Dogs & Puppies	4		
Cats & Kittens	2	Stray cats	5
TOTAL	6		

TOTAL OF ALL ANIMALS RECEIVED: 23

Your Society's shelter has been inspected and licensed by the State and fulfills your animal shelter requirements.

Every town has stray animal problems. We encourage your town and especially your Animal Control Officer to use our services more in 1995.

Sincerely,

Mark Ackerman,
Executive Director

OFFICE OF EMERGENCY MANAGEMENT REPORT

The year 1994 was again a busy year for the Office of Emergency Management. During the year, the town's emergency management guide was in a continuous need of updating with regard to changing of material providers that may be needed to be called on in the event of a major emergency.

In June, Deputy Fire Chief Jon Sanborn was sworn in as Deputy Director so as to have one of us available in time of need.

I attended numerous classes and inservices throughout New Hampshire and Massachusetts to better acquaint myself to the reality of disaster situations.

In August, a representative from the New Hampshire Water Resource Division inspected dams in Sanbornton and Meredith which could pose a problem downstream in Sanbornton if a failure should occur.

With earthquakes so prevalent in our lives these days, I plan on holding a seminar and drill at the elementary school this spring so as to acquaint staff, pupils and parents of the potential real life experience.

I anticipate having, in conjunction with the fire department, other town departments and the state, a major hazardous materials incident drill that will test all emergency responders in the event of such an incident. My goal is to show the residents of Sanbornton that if the "BIG ONE" were to happen, we as public servants, will be there to protect and serve.

Respectfully submitted,

Stan Barnes, Director

PLANNING BOARD REPORT

The Planning Board met with other town land use boards at a joint meeting to discuss proposed zoning ordinance amendments. The Planning Board proposed three amendments for March town meeting, including an amendment to the sign provision to require multiple businesses to share a common sign; an amendment to the special exception criteria which permits the conversion of a single-family dwelling to a two-family dwelling; and an amendment to the special exception criteria which allows an addition within the 40 foot building setback from public waters.

In addition, the Planning Board worked this past year to complete the Master Plan. The final two chapters, Housing and Land Use have been completed.

The Planning Board approved the following subdivisions, boundary line adjustments, and site plans:

Subdivisions	Location	Tax Map #
Blue Sky Enterprises	Hermit Woods Road (2 lots)*	4.8.1
		4.8.2
B. Henry	Knox Mtn. Road (2 lots)	20.1
		20.2

POLICE DEPARTMENT REPORT

The year 1994 has shown a slight decrease in calls for service, which I feel are attributable to a more aggressive approach towards crime prevention by way of increased visibility in the patrol function of the Department. We have also seen that there is much more citizen awareness in reporting suspicious activity. We ask that you continue to support us by being our eyes and ears so we may continue to make Sanbornton "the place to live".

I wish to thank the Youth Assistance Program for their continued assistance and success in working with our juvenile offenders. I also wish to thank the Belknap County Sheriff's Office as well as the surrounding Departments in the community for their assistance whenever it was needed.

Police Officers:

Chief John Maurath - Jack came to this Department in April of 1973 as a Patrolman and served in that capacity until 1980, when the former Chief retired. Jack and his wife, Sally reside here in Sanbornton.

Sergeant Richard Robinson - Richard has been with the Department for the past 11 years, starting here in September of 1983. Richard is the Department Prosecutor and handles all the court cases generated by the Department. Richard, his wife Rhonda and their two children live in Northfield.

Patrolman Kevin Roy - Kevin has been with the Department for the past 5 years, starting here in January of 1990. Kevin and his wife Karen live in Sanbornton.

Patrolman Mark Barton - Mark also has 5 years of service with the Department, starting in July of 1990. Mark lives in Penacook, N.H.

Patrolman Gavin MacDonald - Gavin, our newest member, has been with the Department for 1 year, starting in December of 1993. Gavin is also a certified DARE instructor and will be working within our school system. Gavin, his wife Lisa and their two children live here in Sanbornton.

Patrolman Marc Nichols - Marc is a part-time Police Officer and has been with the Department for the past 5 years. Marc, his wife Cindy and their two children reside in Tilton.

In 1994, members of the Department received specialized training through the New Hampshire Police Standards & Training Council in the following fields: Firearm's Instructor, Rabies Epidemic, DARE Instructor Training, Sobriety Testing Techniques, First Responder, High Risk Patrol Tactics, Oleo-Resin Capsicum (pepper) Spray.

Respectfully submitted,
John J. Maurath
Chief of Police

RECREATION COMMISSION REPORT

As we reflect back upon 1994, we recall another busy year aided by the time and energy of many town volunteers. During 1994, the Recreation Commission organized, coordinated and/or sponsored sixteen recreation programs. The community enthusiastically participated in the wide range of programs offered this year.

Ann Littlefield, our Recreation Coordinator, resigned in September. We thank her for all her hard work and contributions. Elaine St. Cyr, a Plymouth State College graduate in Recreation Science, was hired in October to fill the Recreation Coordinator position.

Listed and described below are the 1994 programs which the commission provided for our community:

BEACHES: Preparation of Hermit Lake and Winnisquam Lake town beaches for summer usage included the following: cleaning debris away; applying new sand; repairing rafts and anchoring to the lake bottom; putting out safety buoys; and arranging for telephone service, garbage pickup, water testing, and toilet facilities. Throughout the summer, the commission continued to monitor proper usage and maintenance of the beaches. At the end of the season, the beaches were cleaned and equipment properly stored for next summer. A "carry in/carry out" method of trash removal was continued for the third year, which was fairly successful.

The commission interviewed, hired, and supervised three Red Cross certified life guards to maintain safety at both beaches, seven days a week, throughout the summer. Our life guards for the 1993 season were Head Life Guard Bethany Clark, Amy Hopkins and Richard Fuller.

WATER SAFETY INSTRUCTION: Lessons were provided to 80 Sanbornton children, by instructor Bethany Clark, at Hermit and Winnisquam Lakes.

SOCCER: This was the ninth successful year of the Sanbornton Youth Soccer Program. 150 children, grades K-8, participated. Thirty local parents and community members volunteered their time to coach, prepare the fields, referee, and provide refreshments. The practice and games were played on Saturday mornings and Thursday evenings, Sept. 10th through Oct. 22nd. Sanbornton Central School, Sant Bani School, and the Whetstones provided the playing fields. This year, games were played against Franklin teams. An awards ceremony, held at the Sant Bani field, was enjoyed by soccer participants and their families.

TENNIS: An adult round robin of singles and doubles ran throughout the summer, in which 40 adult players participated. The Winnisquam High School courts were reserved for the games.

COOD SOFTBALL: For the fifth year, coed adult softball was played weekly at the Baptist Church bay field throughout the summer months.

LASSIE LEAGUE: Girls softball was in its second year for ages 9-12. Seventeen girls participated in this successful program.

HALLOWEEN PARTY: A fun-filled Halloween party was held at the Sanbornton Town Hall, which included a haunted walk, refreshments, and games.

SUMMER DAY CAMP AND YOUTH SPORTS: In its sixth year, the summer program offered an all day, two day a week program for ages 5-12. Geri McKenna and Bob Puffinberger were hired to operate the program. The program included arts and crafts, a boat trip, nature walks, theatre, sports and fun learning experiences. Thirty children participated.

An aerobics program was lead by Bethany Clark. Chuck Wyman coached soccer skills to approximately 40 youths.

YOUTH BASKETBALL: This program was offered twice, in November-December and in January-February. The early winter session was run in conjunction with Tilton-Northfield and coached by the Winnisquam High School coaches and community volunteers. The late winter session was coached by Sanbornton volunteers. 45 players in grades 2-8 participated in this program held at the Winnisquam Middle School.

ICE SKATING PARTY: This family event was held at the Tilton School Rink on February 25th. About 100 residents enjoyed an evening of skating and refreshments.

The commission also sponsored and/or assisted with several town recreation programs. These included skating lessons and family skating at the Tilton School Rink, support for the Sanbornton Youth baseball League, a youth skiing program at Highlands Ski Area, and childrens games at Celebration Sanbornton.

Commission goals for 1994 were fulfilled. A wide range of safe and quality leisure and recreation programs were offered to community members of all ages and abilities.

Goals for 1995 include the following:

- 1) To continue to promote safe and quality leisure and recreation programs at a minimal cost to the town.
- 2) To support and offer assistance to the Town Park Development Committee.
- 3) To raise funds to support recreation programs.
- 4) To broaden programs offered to the Sanbornton adult population, especially the senior citizens.
- 5) To offer a yearly town recreation event.

The commission would like to thank the many community members who volunteered their time, energy, and creative ideas to this year's programs.

Respectfully submitted,

Sanbornton Recreation Commission

SANBORNTON PUBLIC LIBRARY REPORT

Your public library continues to grow with 1,100 registered borrowers of all ages availing themselves of a variety of services. In addition to a thriving book collection, there are publications, reference materials and videos providing options for choice.

Classroom visitors from K - 4th Grade come with their teachers from Sanbornton Central on a regular basis. Pre-schoolers come from two local programs, and others with their parents. Good library habits need early encouragement and it is a privilege to welcome all children, to make them feel at home within, and also to participate in the summer programs.

Responsibility for the building's needs is a constant priority. Repairs have been made to the heating system; a small office has been completed, taking space from the old storage room; and a security and fire protection system has been installed. Many smaller projects are often completed by staff members, trustees, and any available, willing volunteers! We thank one and all for their assistance.

The resignation of trustee Brenda Kraft was regretfully accepted as of June 1, 1994. Brenda had served as secretary for four years and we thank her for her term of service. Stephen Ahlgren was appointed by the Board of Selectmen to fill the vacant position.

In September, we applied to the State Library Council for one of twenty grants "to provide smaller libraries with computer hardware to enable them to access the NH Automated Information System." Sub-committee members Brian Gallagher, Edna Hansen, Kathy LeBel and Stephen Ahlgren are to be commended for their hard work. As a result of this, we were awarded one of these grants in the amount of \$850, which requires matching funds. Now the shopping around begins to select the proper components.

We are pleased that the upstairs meeting hall is being used by a variety of local groups, including the Girl Scouts, Central School teachers' conferences, and Moulton's Band.

In closing, we wish to commend our staff members Priscilla Bodwell, Kathy LeBel, Patricia Kraft, and volunteers Avis Johnson, Sue LeBel, Bobbi Henba, Jean Wright, Milly Shaw, and Martha Hayes for the gifts they bring to us all.

SEWER COMMITTEE REPORT

The Committee met four times during 1994. Several meetings addressed and resolved problems that homeowners were experiencing in connecting their dwellings to privately owned sewer laterals. The Committee also recommended fees for non commercial operations (Caswell and Normandin Machine Shops) on Bay Road.

Sewer expenses for 1994 were approximately \$29,457. Of this, \$9,553 was raised by taxes to cover the bonded indebtedness to construct the sewer system, and the balance was raised by user fees to cover operation, maintenance, and administrative costs. Bonded debt is scheduled to diminish during the next 4 years and eventually disappear as a tax supported expense.

A budget of \$29,817 was submitted to the Selectmen and Budget Committee. This included \$9,191.45 to be raised by taxes for bonded debt, and \$20,626 to be raised by user fees. Sanbornton user fees remain the lowest of any community on the Winnepesaukee River Basin Project.

Don Foudriat,
Chairman

SOLID WASTE COMMITTEE REPORT

The way in which trash is handled in Sanbornton changed dramatically over the past year. A new Transfer Station was planned and constructed because we could no longer use the landfill by year's end as it reached its capacity. The Transfer Station is composed of a trash compactor and a Recycling Center. The compactor compacts non-recyclables into a container for out-of-town shipment and disposal. The Recycling Center consists of two buildings, including a new 40' x 60' building to handle increased amounts of recyclables.

The Transfer Station provides residents with similar trash disposal services to those of the past, except that materials are handled in a different manner. Non-recyclables no longer end up in the landfill, but are sent to the waste-to-energy plant in Penacook. Recyclables are still brought to the Recycling Center and additional materials such as mixed paper (including junk mail) and textiles are accepted.

Transporting and disposing of non-recyclable trash out of town is expensive, costing \$63 per ton. To avoid paying this new cost through property taxes, a Pay-by-the-Bag Program was established as authorized by the 1994 Annual Town Meeting. Special plastic trash bags in 33 and 20 gallon sizes have been made specifically for the town, and are sold at area stores for \$1.00 and \$.70 respectively. As a public service, the stores do not charge a markup on the bags when sold in packs of 10, allowing the town to receive all proceeds from bag sales. Residents put trash not to be recycled into these bags which then go into the compactor for out-of-town disposal. Receipts from bag sales pay for this disposal cost. Residents can reduce their costs by purchasing, when possible, items with less packaging, composting materials at home, and recycling more. Recyclables are still accepted at no charge. The Pay-by-the-Bag system is an equitable means of trash disposal as you only pay for what you generate.

At some point in the future, it will be necessary to close the landfill. Although we no longer dump trash in it, the landfill needs to be capped and the groundwater monitored for contamination for many years to come. We have submitted a closure plan to the State and are awaiting their reply as to its adequacy. It does not appear that closure will occur this year, as the State is apparently backlogged with other landfill closure work. In anticipation of the landfill's eventual closure, the Selectmen were able to purchase at a good price (\$6.00 per cubic yard, including trucking) from the new Wal Mart store construction site, the necessary amount of loam for the final cover. The loam has been stockpiled at the landfill.

Respectfully submitted,
Joel Anderson, Chairman

TOWN PARK COMMITTEE REPORT

The main goal of the Town Park Committee in 1994 was to continue the search for a suitable parcel of land to develop areas for town recreation activities. In 1993, our focus was on a "central" location, whereas in 1994, we broadened our search to cover the entire area of Sanbornton.

When assessing property for development, the following criteria are considered important: a location which provides easy accessibility to a significant number of residents; usable land of at least 10 acres; purchase and development costs; access to well maintained roads; minimal slope; well drained soils; short and long term development potential.

A town recreation area adds considerable value to a community in terms of increased recreation resources and increased desirability for families to settle in a community. Consequently, location and development potential should be carefully considered. A project of this importance needs to be well thought through, and given sufficient time to research all potential options and weigh the many criteria.

We began our search by once again reviewing all town owned properties. Three parcels of sufficient acreage exist which are not land locked, although none are centrally located. These are the Dr. True/Lower Bay Roads lot, the Eastman Hill Road lot, and the Town Solid Waste Facility site. The properties were walked and surveys were reviewed. Discussions followed with town committees, residents, state soil experts and construction contractors. Each site has positive aspects and drawbacks.

We spent considerable time perusing town maps of privately owned property. We personally contacted owners by mail and/or interview. We followed up all leads and suggestions. None of the contacted owners were interested in having any of their land converted to a town recreation area at the present time or in the near future. Many offered their support and ideas for sites.

We contacted local real estate agents and reviewed all Sanbornton properties on the market. Properties were ruled out for varieties of reasons, including inadequate acreage, high price, poor location, and steep slopes.

Properties reviewed included the following areas: Routes 127 and 132, Hunkins Pond Road, Cram Road, Tower Hill Road, Shaw Hill Road, March Road, Meetinghouse Hill Road, Morrison Road, and Eastman Hill Road. One parcel, approximately 20 acres and centrally located, appears to have potential. We began the task of reviewing this property for suitability and discussing with appropriate experts. We will continue this process into 1995.

Thus, in 1994, we covered much territory and have learned much about Sanbornton, its recreation needs and its resources. We are very aware of the importance of this project and the need to assess all potential options.

Goals for 1995:

- 1) To bring to the residents of Sanbornton one or more options for recreation development. This may include land purchase and/or development of a five acre sports field and parking for approximately 50 cars. This is our immediate need.
- 2) To ask the town to sell town properties which serve little or no value to the community as town owned land, but which may be of value to private land owners. The funds raised would be used to offset any further town park development costs.
- 3) To continue the process of reviewing potential land development for recreation purposes.
- 4) To seek community assistance in each phase of this project.

Town Park Committee Members

No funds were spent in 1994.

Town Recreation Park Capital Reserve Fund

Balance as of 12/31/94.....\$38,225.96

TRUSTEES OF TRUST FUNDS REPORT

A new trustee, Brian Gallagher, came on board in March, 1994, replacing Robert Stoecklin, who did not seek another term when his term expired. Gallagher is proving to be an ideal replacement because of his budgetary experience and being close to the Attorney General's office with which the trustees must keep in close contact.

Seven formal meetings were held during the year and many phone consultations were held. Also, each year the trustees attend the Annual Seminar on Trust Fund Administration and Statutory Filing Requirements given by the Department of the Attorney General, Division of Charitable Funds and the Department of Revenue Administration, Municipal Services Division. This keeps the trustees up to date on all requirements, and sometimes the greatest value of these meetings comes from hearing about problems other towns are having.

As the financial report shows, although interest rates were down in 1994 the trusts did quite well, and the trustees were able to comply with all requests - except in the case of scholarships.

John Doe Taylor set up two scholarships. One is for two needy students admitted to the University of New Hampshire and the other is for two needy students admitted to any college (UNH excepted). For the 1994-95 school year Susan Cegelski and Lorraine Petrini received scholarships to UNH, Van M. Barlow III received a scholarship to Plymouth State College and Kerry L. Litka received one for Keene State College. There were 19 applications for scholarships and it wasn't easy to turn any of them down.

New application blanks have been developed for 1995-96. They may be obtained at the town office or at the WHRS counselor's office.

WELFARE DEPARTMENT REPORT

They tell us the economy is improving and we will have to agree that business in the Welfare Department has slowed down a little, but not nearly as much as we would like to see. With the proposed cuts in Federal and State aid, the cities and towns are going to be hard pressed to take up the slack.

This year we have furnished help to twenty-one households as opposed to thirty-two last year; and written 146 vouchers, while last year we wrote 205.

Once again, we have had the assistance of many other sources of help, including the Crisis Reserve Fund, TNS Santa Fund, the Boy Scout Food Drive, and the Sanbornton Bay Homemakers.

Our sincere thanks go out to our thoughtful friend who once again supplied Christmas trees for those less fortunate in our community.

Also many thanks to those individuals who were able this year to reimburse the town for help in the past, in the amount of over \$32,000! Hopefully as time goes on, more people will be able to do likewise.

Due to circumstances beyond our control, this will be our last report as Overseer of Public Welfare. We have enjoyed serving the town in this capacity and the satisfaction of being able to help someone over the tough times. Thank you all for the privilege.

Warren H. Wilson
Overseer of Public Welfare

Budget Statement:

<u>1994 Appropriation</u>	<u>1994 Expenses</u>	<u>1995 Request</u>
\$35,000	\$32,010.13	\$35,000

WINNISQUAM FIRE DEPARTMENT REPORT

The Winnisquam Fire Department answered 357 calls for assistance during 1994. The breakdown of our calls by basic type and location are:

	Belmont	Sanbornton	Tilton
Structure Fires	11	0	4
Chimney Fires	16	2	2
Alarm Activations	64	11	5
Car Fires	2	0	2
Brush Fires	4	5	1
Medical - Transported	18	22	33
Non-transport	16	7	9
Motor Vehicle	16	9	15
Other	8	5	12
TOTALS	155	61	83

Winnisquam only - 39 calls for service

Mutual Aid Calls - 19

Present vehicles in use:

- 1 - 1968 International 750 gal. pump 1000 gal. tank
- 1 - 1981 International 1000 gal. pump 1000 gal. tank
- 1 - 1980 Ford rescue vehicle
- 1 - Forestry Jeep
- 1 - Rescue Boat

Regular business meetings are held on the first Thursday of each month at 7:00 PM. Officers meetings are held the third Thursday of each month at 7:00 PM, and special meetings are held as needed.

The department consists of twenty-two active volunteers (no compensation). Sixteen members are state certified to Fire Fighter Level 1, and two are Career Level. Twelve of the members are nationally registered EMTs, two of whom are certified to the Intermediate Level, with IV capabilities. Most of the EMT members qualify for defibrillation and esophageal intubation.

During the past year, many hours have been spent on meeting with representatives from the three towns in developing specifications for a new truck for which funds are being requested at this year's annual meeting. This will replace the 1968 International pumper that has been in service for over 27 years. Also, our volunteers spent a number of hours in updating the interior of the hall with new insulation, sheetrock on the walls, painting, and a new drop ceiling. Replacement of roof shingles on the old section of the building has started.

A number of fund raising events have been held to raise money for a new fire truck: Motorcycle Weekend featured breakfasts, a Haunted House in October, and our annual Harvest Supper in November.

The Winnisquam Fire Department would like to thank the community for its continuing and ongoing support.

Rosanna Leighton,
Secretary

Budget - includes Air Packs	\$17,100
Truck Reserve	24,500

YOUTH ASSISTANCE PROGRAM REPORT

Court Diversion is primarily for any youth under the age of 18 who has committed an illegal act and is a first time offender. Written agreement must be given by the parents and youth to go through court diversion instead of court, and so it is considered voluntary. A contract is designed that addresses the needs and problems of the youth so that he or she may make amends for their crime and face the consequences for their actions. Case examples include simple assault, shoplifting, willful concealment, substance abuse/possession, truancy, some types of arson, burglary, harassment, illegal use of firearms, etc.

Prevention activities are for any youth and/or parents. Prior experience with this program or court does not bar anyone from participation if they can be helped by our staff and volunteers. Activity examples are as follows: youth counseling, crisis intervention, adventure based counseling, Challenge (substance abuse training), peer counseling, independent living training, mediation, parent training and support.

In 1994, we saw a 69% increase in our activity level. There were more participants in the Challenge Course than in 1993. A substance abuse program was brought to the middle school. Thirty-nine students took part.

We wish to express our appreciation to our loyal volunteers, our supportive Board of Directors, the local police, school personnel and our many helpful friends in the community.
